

# MOVING INSURANCE CHECKLIST

## FIRST THINGS FIRST

- Tell your insurance agent that you are moving
- Inspect the new property before moving in

## NEXT

- Decide whether you will be using professional movers or moving yourself
- If you use professionals, read your moving contract closely
- Review all of your existing policies; be aware of what coverage you have, where you might need more, and what might change due to your move

## AUTO

- Check what type of coverage for rental cars may already be included in your personal auto insurance policy
- If you opt for using a rental or moving company, read their contract closely
- Make the necessary policy updates if you are moving out of state

## HOME/RENTERS

- Take an inventory
- Ensure that your belongings are covered while being moved into the house
- Find out exactly how much and what types of damages are covered by your policy and what exclusions exist
- Consider additional coverage
- Update your policy to cover your new space

## AFTER THE MOVE

- Update your address for all bills, etc.
- Assess your new living situation and your new insurance needs
